

AUTHORIZATION
For
Payment In Lieu of Transportation

Dear Beth Haven Christian School Parent:

In order for your family to be eligible for reimbursement from Logan County Schools for school transportation costs, you must meet the following criteria:

- 1) You are a resident of Logan County.
- 2) You have a child or children enrolled in a private educational institution.
- 3) You provide the cost for transporting your child to and from school daily – whether you drive the child to school daily or you pay for your child to ride a bus system provided by the private educational institution.

If you answered yes to ALL three statements above, you are eligible to receive a \$1.00 per day per child reimbursement from Logan County Schools. The reimbursement checks will be paid two times a year with records filed in January and in May, after the school term has ended for the summer. The number of days your child is present, excluding holidays, snow days, etc... will determine the amount of your family's reimbursement. (\$1.00 for each day each child is present).

This is to certify that I live in Logan County, have a child or children enrolled in Beth Haven Christian School, and am eligible to receive transportation reimbursement.
